The National Asian and Pacific American (NAPA) Association of the Federal Aviation Administration proudly encourages the continued professional excellence of our members, promotes equal opportunity within a model workplace at the FAA, and facilitates mentoring and networking opportunities to support the development of all FAA employees.

VISION:

NAPA's vision is to promote, expand and support Asian American and Pacific Islander (AAPI) leadership in the Federal Aviation Administration.

NAPA'S GOALS:

- Promote continued excellence in job performance and professionalism of FAA AAPI employees through pride, dedication, training and involvement.
- Establish rapport with key leaders and with organizations at different levels of the FAA to improve communication, understanding and commitment to advance a diverse and productive work environment.
- Facilitate a positive mentoring network focused on meeting the development and mobility needs of all FAA employees.

ACTION PLAN:

- Build a cadre of qualified specialists to actively participate in FAA recruitment, public outreach, and aerospace education activities.
- Maintain on-going partnerships with all FAA Employee Associations and Special Emphasis Programs, along with outside Asian organizations [e.g., Asian American Government Executives Network (AAGEN), the Department of Transportation's (DoT) Asian Pacific American Employees Coalition (APAEC), and the Federal Asian Pacific American Council (FAPAC)].
- Acquire organization and corporate sponsorship for NAPA's general operations, scholarships, activities, and/or the annual training conference.
- Continue planning and leading on the key functions NAPA is known for:
 - Lunar New Year Luncheon Celebration,
 - May Asian Pacific American Heritage Month Celebration, and
 - Annual Training Conference
- Support the FAA in mentoring Asian American and Pacific Islander summer interns/part-time hires, new/entry level employees, and current members.
- Complete drafting of NAPA Constitution and gain member acceptance.
- Continue working the NAPA By-laws towards membership ratification.
- Establish training and networking opportunities.
- Spearhead a community service activity to "giving back" (e.g., CFC event).
- Establish policy documents, roles and responsibilities, committee guidance and work plans to improve the organization's ability to seamlessly continue operations.
